KROGMANN

Six Tone Poems

FOR

Piano Solo

Op. 72

IT has been the endeavor of the publishers to make "EDITION WOOD" the finest and most correct edition of Standard Studies, Recreations and Classics yet issued.

The Editors have tried to be very conservative in their work, and have followed as closely as possible the original editions of the classics, making only the changes which seemed necessary in order that the phrasing and fingering should agree with modern ideas.

The engraving, paper, printing and binding are the best obtainable; in fact, nothing has been spared to place the Edition upon as high a plane of excellence mechanically as it is musically.

All of the volumes are bound in such a manner that they will remain open and flat upon the piano rack when in use, and many of the volumes are to be had in handsome, durable, full cloth bindings.

Fully one-half of the volumes contained in "EDITION WOOD" are the copyright property of the publishers and can be obtained in no other edition.
