

### I BREATHE THY NAME

**T**is dawn, 'tis dawn, the gates of Eastern light  
Are opened wide, the heavens aflame;  
From dreams I rise, my waking tho'ts of thee,  
My love, I breathe thy name.

The West now glows, the restless winds are still;  
The night has come, the stars proclaim;  
When shadows fall, with tenderest tho'ts of thee,  
Dear love, I breathe thy name.
