May God Be With My Boy To-Night

1.

Brave eyes that look'd so tenderly,
Where are you now to-day?
Sad was my heart at break of dawn,
After you went away
Loud sang the lark o'er fields of gold,
High in the Heav'n above;
Winter alone within my heart
Calling for you and love.

2.

O, waiting heart, I dare not tell
How dark and long the lane!
Only I hope that Time will bring
My dear one back again;
Safe to a home of peace and light,
Across the furthest sea;
May God be with my ^{love to-night}
Wherever he may be._{boy.}

3.

Kind heart that lived for one alone,
How could I let you go
Out of the sunshine of my soul?
Save that I love you so.
There is a place within my heart
No one on earth may fill;
Someday at last you'll come to me,
Watching and longing still!
