Trees and flowers and all that I see
He made the of earth and and all things there in.
Sons of and God, ye and joint heirs with Christ
Faith and hope and and char - i - ty mild

From mere stones to eter - ni - ty.
Gave his life to save us from sin.
Pre - pare now things for e - ter - nal life.
These three things are all re - quired.

Feel - ings as - flow - ing form on high
Though as - cen - ded to God's throne
Cleanse your - selves from world - ly sin
The Sav - ior's yoke u - pon you take

wit - ness to me that he is nigh.
yet still he loves and still his own.
that in - to heaven that ye ye in.
that of his love ye ye may may par - take.
