About the artist

I am pretty much self taught in playing piano , and played my first song by ear at age 5. I play both by ear and can read music, and have the ability to add chords as I choose . I have begun writing and scoring music in the past few years. I have sung both in choirs and solo, although in the past few years, I have developed my voice and range, and prefer to sing a capella. I also currently music to mentally challenged people.
