About the artist

I have been involved with the classical guitar for 45 years and since 1976 have been actively performing, arranging and recording. Some of my most influential teachers (masters) have been Alirio Diaz, Michael Lorimer and Juan Sorroche, among others. I still have the same passion for music as when I started and I love to share the results of my dedication.

Comment: One of the most beautiful songs by Argentinian composer-pianist Ariel Ramirez (1921-2010). This is a classical guitar arrangement that could be played in concert. The song is dedicated to Argentinian poet Alfonsina Storni so if you decide to play it be sure to check out the story behind the song.
