About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Composer:	Traditional
Arranger:	Magatagan, Mike
Copyright:	Public Domain
Publisher:	Magatagan, Mike

Comment:	This is a popular irish melody of unknown origin however, "Kellswater" is a hamlet near to the village of Kells in North Ireland. The name of the hamlet comes from the nearby Kells Water. Although originally written for traditional folk instrument, I created this arrangement for Concert (Pedal) Harp and Flute.
