About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment: The folk music of Ireland (also known as Irish traditional music, Irish trad, Irish folk music, and other variants) is the generic term for music that has been created in various genres in Ireland. Historically much old-time music of the USA grew out of the music of Ireland, England and Scotland, as a result of cultural diffusion. By the 1970s Irish traditional music was again influencing music in the USA and further afield in Australia and Euro... (more online)
