I am pretty much self taught in playing piano , and played my first song by ear at age 5. I play both by ear and can read music, and have the ability to add chords as I choose . I have begun writing and scoring music in the past few years. I have sung both in choirs and solo, although in the past few years, I have developed my voice and range, and prefer to sing a capella. I also currently music to mentally challenged people.

LAY THAT BUNDLE DOWN

CHORUS

Lay that bundle down,
Oh, lay that bundle down,
At the feet of the Father,
Just lay that bundle down.

If you have a problem
And don't know what to do
And that big ole problem's
Just eating away at you

CHORUS

You wanna lay that bundle down
Oh, lay that bundle down
At the feet of the Father,
Just lay that bundle down.

Staying up all night,
Can't get you no sleep,
Squirrely, whirly, thoughts
Just beatin your defeat

LAY THAT BUNDLE DOWN

CHORUS

You wanna lay that bundle down,

Oh, lay that bundle down.

At the feet of the Father,

Just lay that bundle down.

Pray to God the Father,

And give it up to Him.

Lay that burden at His feet,

Don't pick it up again.

CHORUS

You wanna lay that bundle down

Oh, lay that bundle down

At the feet of the Father,

Just lay that bundle down.

You'll have peace of mind,

And get you some sleep.

Lay that burden where it goes,

Right squarely at God's feet!

CHORUS ONE MORE TIME, Then at the end, say, with a smile and wink: And don't you be picking it back up again, ya hear?
