Roger Myers

Arranger, Composer, Director, Teacher

United States (USA)

About the artist

I have been writing and arranging music for 30+ years, mostly for church settings. I taught music (public school, private school, & college level) for a few years prior to becoming a pastor in a local church. Most of my writing and arranging has been for percussion ensemble but I have also composed or arranged for wind ensemble, brass ensemble, choir, solo and small group voice, and various odd instrumental groups (e.g. flute, trumpet, violin, trombone; all at differing skill levels) to enable the musicians which were available to have something to play together.
I also write exercises, small duets, and other bits for my students to assist them with their own skill development.
Composing and arranging music is my way of relaxing and I enjoy it very much.

Away in a Manger - Marimba Solo

NOTE: Mallet number one may be prepared by loosely wrapping the mallet head with plain newsprint, a sheet of typing paper, or attaching small bells to the mallet shaft. When preparing mallet number one in this manner the performer should follow the sticking suggested in the score in order to obtain the greatest effect from the special sound thus produced.
