About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	Compared to most other major composers, Johann Sebastian Bach's life and career were confined to a very limited geographical space. Born and raised in Thuringia, he never went farther north than Hamburg and Lübeck, or farther south than Carlsbad. In a similarly confined way, his east-west range stretched from Dresden (east) to Kassel (west). His complete geographical space can be found on a map derived from Christoph Wolff's great scholarly Bach ... (more online)
