About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	Johann Christoph Altnikol (1720 - 1759) was a German organist and composer who is known mostly because of his marriage to Elisabeth Bach, Johann Sebastian's daughter. He often relied on his connection with the Bach family to obtain appointments. Not many of his works survive; in general, his compositions have not attracted much attention. Bach praised his music, but the great composer may have not been objective in his assessment of Altnikol. M... (more online)
