"Invention I" for B-Flat & Bass Clarinet (BWV 772) Bach, Johann Sebastian

About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment: The Inventions and Sinfonias is a collection of short pieces J.S. Bach wrote for the musical education of his young pupils. These are among the finest examples of artistic gems ever written for this purpose, and probably because of this, they became very popular among Bach's pupils and others ever since they were written. The work comprises fifteen two-part, each named 'inventio', and fifteen three-part pieces, named 'sinfonia'. These two group... (more online)
