### About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

In 1851 Benoit entered the Brussels Conservatory where he remained till 1855, studying primarily with F.J. Willems. During this period he composed music to many melodramas, and the opera *Le Village dans les montagnes* for the Park Theatre (see online)
