

# Felix Rodriguez

Arranger, Composer, Interpreter, Publisher, Teacher

Porto Rico

## About the artist

I have been involved with the classical guitar for 45 years and since 1976 have been actively performing, arranging and recording. Some of my most influential teachers (masters) have been Alirio Diaz, Michael Lorimer and Juan Sorroche, among others. I still have the same passion for music as when I started and I love to share the results of my dedication.

**Qualification:** Master
