Petite mélodie pour Piano seul . (U2 .)

About the artist

I started the violin in 2005 at the age of 16 with private lessons for two years. In 2007, at the age of 18, I joined the music school as an apprentice violinist and the conservatory in music theory class for one year. In 2008, I definitely entered the conservatory for 4 years of study where I finished my musical training in 2012. I have also been a composer since 2006. I started my own business as a composer and performer when I left the conservatory.
