Étoile de mer

About the artist

Since my earliest childhood, music has been the main element in my life. I was barely 6 years old when I joined the Choir School of Little Singers in Nancy, my hometown. Laureate of the Conservatory of Nancy, I opened up to other styles of music variety, jazz. I taught piano and trumpet. Today, I am conducting a mens choir, and I have taken up writing music. I composed a collection of small progressive pieces for piano under the title Moments musicaux. I wrote a trumpet concerto that I dedicated to my teacher with whom I obtained my 1st prize, a Chorale for large organ, as well as a largo for trumpet and large organ. I also approach variety with titles like Ptite femme de rien, Lombre elle, Poussière denfant. Music videos Nostalgia, Japanese dream, My land.

The children loved these songs, the parents, the audience, the teachers too So why stop there? Claudine took such a pretty pen to write her texts, which my piano seduced, sang under my fingers. Songs perfectly adapted to children from 6 to 11 year... (more online)
