Dieu de tendresse écoute et prends pitié

About the artist

I'm passionate about music in general and choral singing in particular, which I practise regularly. I'm a guitarist, bassist and opera singer (baritone-bass tessitura). I learned a lot about music on my own, with books and my ears, and then over time, by joining the Lyon music school, I solidified my knowledge and culture in writing, singing and music theory.

I'm a fairly eclectic person, as can be seen in the colors of my arrangements. my arrangements.

I'll let you discover the fruits of my curiosity, which so far have enabled me to make all these arrangements.

Don't hesitate to contact me for arrangement or composition orders.
