Offertorium: "Protector Noster" for Piano Drobisch, Karl Ludwig

About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	Carl Ludwig Drobisch (1803 - 1854) was a German composer. He worked intensively with the mathematical determination on pitch conditions and published numerous works on this theory. As a result, he had great influence on contemporary music. Since 1826, he was a music teacher, especially for theoretical music lessons, and in 1837 Kapellmeister of the Protestant Church in Leipzig. Drobisch wrote numerous choral works, including this Requiem (No .2... (more online)
