About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	At a time of great loss, many people find themselves looking for words, they struggle to express their sincere, and often heartfelt, empathy for the sad occasion, it is at these times that music can unveil a dimension of meaning and feeling that words alone cannot create. I created this instrumental interpretation of the folk spiritual Goin' Home (from William Arms Fisher/Antonín Leopold Dvořák: The New World Symphony Largo Symphony No.... (more online)
