Comment: Salut D'Amour, Loves Greeting, by Edward Elgar, a beautiful piece but unfortunately without many arrangements for the guitar. This is why I gave this work a full make over, that is more playable and hopefully interesting to many guitarist. My backing film for this score, was very pleasing and took a long time with some good editing to do justice to the superb view's of Australia, New Zealand and the Caribbean and with thanks to other's for some o...
