But Thou,O Lord

About the artist

I'm a Graduate of Chemistry Education. Basically,I love natural sciences so much which led to my area of study in the University, But Music has been a part of me right from time.I started learning keyboard in 2008. I have so much love for the keyboard instruments specifically organ and piano. I'm eager to provide spiritual sustenance from my compositions;hymns and classical.

Many of my scores are posted with vocal parts and Organ/piano accompaniments. however, If you would like individual parts to any of my scores, please contact me directly and I will try to accommodate your specific needs.
