## About the artist

L'inspiration de ce griot, en connection avec l'histoire, est un essai d'exhumation et de recréation des mélodies ancestrales, de celles de l'univers et partant, de leur insertion dans un rapport de coexistentialité harmonique avec les cultures du monde, les oeuvres contemporaines et la destinée de l'humanité. Pour ceux qui consomment ses oeuvres vous y trouverez son histoire, sa vie et sa pensée qui nourriront les vôtres: "Intuitio"
