## CHRISTMAS' JIG

### About the artist

Composer now handicapped, I can't play any instrument (pipes, flutes and medieval fiddles which are hung up on the walls, for decoration). Scores (bourrées, mazurkas, waltzes, jigs, reels...., in a word dances) are increasing uselessly. If you entrust an E-mail address to me, I can send the audio in a better format than mp3 : wav.

.So, I decided to give them. These scores were written for the harp but it is playable with fiddle, flute, tin-whistle, mandoline, etc... Ah a big detail there's no copyrights on my scores. I can send audio in a better format than Dominique Gauquelin

**Qualification:** Fifty years of music but I need a second life for composition...

The image shows a musical score for three instruments: piccolo, harp, and harp. The score is divided into three systems, each starting with a measure number (83, 88, and 93). Each system contains three staves. The top staff is for piccolo (treble clef), the middle for harp (treble clef), and the bottom for harp (bass clef). The music is in a key with one flat (B-flat major or D minor) and a 3/4 time signature. The piccolo part features a rhythmic pattern of eighth and sixteenth notes. The harp parts provide harmonic support with chords and moving lines.
