CIARAN'S SLIP JIG

About the artist

Composer now handicapped, I can't play any instrument (pipes, flutes and medieval fiddles which are hung up on the walls, for decoration). Scores (bourrées, mazurkas, waltzes, jigs, reels..., in a word dances) are increasing uselessly. If you entrust an E-mail address to me, I can send the audio in a better format than mp3 : wav.

.So, I decided to give them. These scores were written for the harp but it is playable with fiddle, flute, tin-whistle, mandoline, etc... Ah a big detail there's no copyrights on my scores. I can send audio in a better format than Dominique Gauquelin

Qualification: Fifty years of music but I need a second life for composition...
