About the artist

I was born in 1951 and live in Germany. My first musical influences came from Rock & Roll and the music from the Beatles era. Later I turned towards classical music and studied music in Frankfurt/Main. At the same time I played in non-professional rock groups.

I was a teacher for music and physics at a grammar school until my retirement in 2012.

My instruments are flute (formerly), piano and guitar. My musical background lies somewhere between rock music, jazz and classical music. In my compositions I try to unite these styles.

Another focus of my work are note-for-note transcriptions of jazz and pop pieces. Unfortunately they cannot be posted here due to copyright restrictions. Please contact me if you are interested.
