About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	One of Georg Friedrich Händel's (1685 – 1759) greatest and most successful operas, Giulio Cesare was first performed at the Theatre in London on February 20, 1724, when it ran for 11 performances. Handel subsequently revived the work on three occasions, the last in 1732. It was composed for the Italian season of the Royal Academy, the organization formed by a group of noblemen under Handel's musical direction in 1719. From the beginning... (more online)
