## About the artist

I am an Eclectic Historicist composer which means I freely and openly draw on a variety of musical styles and elements from the past and present. I then mix and blend with the hope of creating something somewhat fresh.

## About the piece

**Title:** Kick The Can Solo  
**Composer:** Hutchinson, Raymond  
**Copyright:** Copyright © Raymond Hutchinson  
**Publisher:** Hutchinson, Raymond  
**Style:** Jazz  
**Comment:** This piece was not inspired by the traditional children's game. The typical unfulfilling behavior of politicians didn't motivate the composer either. The music celebrates the care free and solitary pastime of repeatedly kicking a discarded can down the road. The piano miniature is not really jazz but does contain some jazz elements.
