About the artist

I am danish and I started to play the piano at 7 years, but my true musical education I got here in Belgium. 10 years in a music academy and 3 more years with a russian pianist. I also play violin, viola and clarinette. It is only 2 years ago that I started to compose. My first pieces were 7 pieces for clarinette and piano with the title Spring flowers, a mixed quartet with piano and 5 pieces for piano duet. These pieces goes from easy to rather difficult. I am playing in an amateur chamber orchestra and my project is to compose a piece for the orchestra.
