## Pumpkins invasion

### About the artist

Music above all!

I am speaking here to all those who will be interested in Robert Labrosse's site, which I met through MuseScore.

For more than a year now, we have become friends, although having only an epistolary contact.

What struck me in this man passionate about music is his ardor in the work of composition and his progression in several styles of music.

Robert is an intelligent man, cultivated and deeply committed to human values.

I think he deserves - by his enthusiasm, his tenacity and his musicality - to have some recognition, however small, in the world of composition.

Listen to Robert, he will surprise you.
