## The rise of the ants (Excercise)

### About the artist

I Leonard Birch began Piano Accordion Lessons at the age of six, I then progressed to the Guitar, but as the years went by, I neglected my love for music, mainly the classics and returned thirty years later. And here I am back composing for a number of different instruments for my friends on free-scores.com to view. I hope to place one score in my site weekly, for either the Accordion, Cello, Clarinet, Classical Guitar, Saxaphone, ect, ect.

My dear friend Len, has placed a number of mp3's on my site as well and his interpretation is excellent. I hope you will find the time to have a listen as well.

I would also appreciate comments regarding my scores as this is the only way I may learn and compose better works. I will value and answer all of your e-mails and comments.

Thank you!

Leonard Birch
