About the artist

When I am arranging one note after another,
I am always entangling the note with my dream
and pursuing an ideal world of beauty.

One must not be suspicious of the fool
who takes pleasure in music and sounds,
But rather measure how well
he sharpens his spirit by them.

Comment: Go To Bed With The Chickens - (In C major - for Celesta)
It was one of my first songs and it was made around 1976. It is a little story about a child that once went to bed with the chickens. This is a very short version of the song arranged in a way that any child could play it on a keyboard. You can see my little story with illustrations from Claudia Eppelt at...
