it is morning
you wake up
you think you see the mist

it is forenoon
you are sitting on the balcony
you think you see the mist

it is 12 o'clock, your lunch time
you look out the window
you think the mist is endless

it is afternoon
you still see the mist

it is a summer evening
july 31
you hear people talking but you don't see them

it is night
you breathe
you cough

it is not the mist
it is smog
... smog
