## Our Father who art in heaven

### About the artist

Maurice Mondengo, ThM is one of the Congolese gifted church and community singers and songwriters. He writes music as he feels. He sings since December 23th, 1971 and conducts amateur choirs since 1984. Maurice loves to sing and help those who like to experience African singing style. Christmas season and its beautiful melodies have a special place in his life. With the gift and love of the music he has composed several songs for liturgical choir. If the gift and love of music led him to compose several songs for choir, issues of peace and justice are often implicit in his songs. His main instrument of music is the voice.
