Comment: The six Notturni, were published in 1803 under the name of Gottfried von Jacquin, a friend of Mozart's. It was not until 1933 that they were restored to their rightful composer! It is true that the orchestral material had been separated from the vocal parts. (Jean Pierre TARDIF, juin 1987) Adorable two eyes, trapped my heart and if I do not ask for favour, at these beautiful flames, by them, yes by them, I shall die from love.
