About the piece

Title: Golden Bough [20]
Composer: Nollmeyer, David
Arranger: Nollmeyer, David
Copyright: Copyright © David Nollmeyer
Publisher: Nollmeyer, David
Instrumentation: Guitar solo (standard notation)
Style: Folk
Comment: The Golden Bough is taken from a book by Fraser in the late 1890s which argues that every faith has a component of a slayed king. Christianity clearly follows this pattern. This piece is essentially a chord study focusing on inversions across the neck while coordinating both hands. I have designated such folk, but classical or progressive are also valid manners of interpretation. Fingerstyle or plectrum works adequately fine.
