## Concerto minimo per pianoforte

### About the artist

I was born in Genoa in 1959 and I started playing piano at the age of 11 under the direction of Master Giusto Franco in Savona. At the age of 16 I settled permanently in Genoa and I continued my musical studies at the Accademia Musicale Genovese and later at the N. Paganini Conservatory of Genoa under the direction of the masters Canzio Bucciarelli and then Franco Trabucco.

Currently I am an editorial promoter and music is my hobby. I love listening to it and writing it ... well ... I am a true AMATEUR.
