About the artist

Chorister and choir director of the parish choir of my village, largely self-taught (Piano, bass, drums.), I've been doing computer music for over 30 years. I started with my friend J-L on an Atari 1040 ste, that's saying something..

Today I work alone with a Cubase 11 pro and several sound banks including: Komplete 13, Ample Sound, Garritan, East West, SynthMaster..)

I am interested in all musical genres. (Classical, pop-rock, jazz, ethnic, etc.)

I read with great attention several books on musical theory, harmony treatises as well as the excellent work by Jacques Siron: "The interior score". I also watched tons of tutorials on YouTube. I started putting videos on YouTube. Just enter my name: "Jean-Michel RONDIO". You will hear the music with the score scrolling.
