About the artist

Music has been dormant with me for decades. Somehow I needed a respite after the familiar opposition of accepting a place in the conservatory (I tried out as organist and as percussionist and got accepted as percussionist). It was not until I needed music for one of my other artistic skills, film making, that it came back in force. Since then I have decided to also adapt classical music... among others because it reduces the amount of fights about authorship I have with the BMI, BMG and GEMA. If some of their nice kids have a problem with the music I can always wipe a centuries old sheet music under their noses (and yes, that happened with my interpretation of Albinoni's Adagio).

The musical score consists of five staves, each for a different saxophone part. The key signature is three sharps (F#, C#, G#) and the time signature is 4/4. The Si. Sax. part features a melodic line with eighth-note patterns and slurs. The S. Sax. and A. Sax. parts play a rhythmic accompaniment of eighth notes, with the A. Sax. part having a more active line. The B. Sax. and Cb. Sax. parts provide harmonic support with sustained notes and accents. Dynamic markings include *mf* (mezzo-forte) and *f* (forte).
