About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	In the last year of his life, at the age of 85, Camille Saint-Saëns was still active as a composer and conductor, traveling between Algiers and Paris. Besides a final piano album leaf, his last completed works were three sonatas, one each for oboe, clarinet, and bassoon. He sensed that he did not have much time left; he wrote to a friend, I am using my last energies to add to the repertoire for these otherwise neglected instruments. He intended ... (more online)
