## Chantons la gloire de nos Peres

### About the artist

Born into a family of musicians, I was introduced to the world of classical piano at a young age. Despite limited resources, I learned to play on an old piano with several broken keys in my grandmother's house. This experience was truly special and unforgettable for me. It's where I discovered my love for music and honed my skills on the keys.

Learning to play on that old piano with broken keys shaped my musical style and sound, leading me down the path of neo-classical and classical piano and choir compositions. It's my mission to use music as a source of peace and comfort for others, just as it was for me in my grandmother's house.

Through my compositions, I aim to evoke emotions and create a serene atmosphere for those seeking solace. I work tirelessly to produce pieces that bring peace and harmony, and it brings me great joy to know that my music can have such a positive impact on others.
