About the artist

Pour moi, la musique consiste à nous élever le plus loin possible au-dessus de ce qui est. Je suis un jeune camerounais passionné de la musique en général et un grand penchant sur un style liturgique. Je mets mes compétences artistiques au service de l'église, communautés, groupes, entreprises, individuels ...
La musique est le plus élevé des arts ; elle ne formule pas la pensée, elle en est comme la substance pure. C'est par elle que nous nous rapprochons de Dieu.
