About the artist

I am a freelance working musician. I teach and run a community music organisation Strings Attached Music. We are a registered charity that is 'not for profit'. We try to get donations for scores and have some good quality low cost ebooks that can be downloaded from stringsattachedmusic.org site for a small donation. Any donation for scores would be greatly appreciated as we need all the help we can get to keep the organisation going. Donations help us with venue hire, free lessons and resources.

Thanks
Dave
