The Trumpet Player's Wedding Survival Kit

This new collection of tunes for Trumpet and Organ features 25 arrangements of wedding favourites. All the essential melodies are here - the Mendelssohn and Wagner bridal marches, voluntaries by Clarke, Stanley, Purcell et al, and incidental music by Bach and Handel.

There are also some less familiar gems, by the likes of Karg-Elert, Brewer, Böellmann, and Battishill.

Trumpet parts are available in Bb, D and Concert pitch.

The trumpet and organ parts are both A4-sized, and have been ringbound, so you won't have to worry about them staying open on a music stand. They are very clearly laid out, so they are easy to read - even in gloomy churches!

There's also a download version available, from which you can print your own copies of the music. You'll be able to download all three transpositions of the soloist part, for greater flexibility.

Having all these arrangements in one convenient book means you won't have to go rummaging through all your music on a Friday night, to make sure you have everything ready for tomorrow's performance. And due to the simplicity of some of the arrangements, you'll have no trouble filling a few minutes if you find yourself short of music.
