## About the artist

Hellooooo, Coucou. I am Sally, from Côte d'Ivoire, a music composer. I am a native French speaker but I am also fluent in English. I consider myself as a musicaholic. I am 5 year self-taught musician, who is still learning music composition. I love discovering new music genre and style from all over the world. As a proud Catholic, I use my passion for Gods glory. I am happy to share my knowledge and learn back from highly educated musicians. My compositions reflect my personal relationship with God and the overwhelming love I feel. I am sharing them because I hope and I am convinced that people can relate and benefit from this joy as well through my music. Much love.
