## About the artist

I compose and arrange music for the guitar as well as conduct sing-alongs and perform at retirement homes and hospitals. I hope you are enjoying my compositions and arrangements. My wish is that you share all of your music by volunteering to perform for the underprivileged and play in hospitals and retirement homes for seniors and the disabled. I've included lyrics with some of my music. If you want to really learn the music and become an entertainer, try singing the lyrics while playing the music. If you can do that, you indeed can entertain people. In addition, if you are interested in improving your memory skills for guitar music, I would recommend reading the book, "Moonwalking with Einstein" by Joshua Foer - especially chapter 8, 'The OK Plateau'. While this book does not directly address how to memorize guitar music, it is an excellent book on general memory skill techniques.

The score is written for guitar in treble clef with a key signature of two sharps (D major) and a 12/8 time signature. It consists of five systems of music. Each system includes a melodic line with various note values and rests, and a bass line with chords and fingerings. Chord diagrams are provided for several chords: D, A, G, Em, and Am. The score includes a repeat sign at the beginning and a double bar line at the end. The tempo marking 'rit.' appears at the bottom right of the score.
