## Corcovado Traditional

### About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

Il titolo si riferisce alla montagna del Corcovado, situata a Rio de Janeiro, nota per la statua del Cristo Redentore che si erge sulla sua cima.
