Scarborough fair Traditional

About the artist

Im a, now retired, ex-music teacher in music high school, but still in activity like a choir director, singer, pianist accompanist, arranger and, at times a few, composer too. Very involved in what's all about vocal music, whatever the styles, especially when it's polyphonic or choral works because I think music allows to mix people together with an aim of beauty to perform. Even if my arrangements are free, I'd be very glad for backwards positive remarks. Thanks for that.

Qualification: I've achieved several various music teacher certificates

If you're going to Scarborough fair, parsley, sage, rosemary and thyme,
remember me to one who lives there for, once, she was a true love of mine.
Tell her to make me a cambric shirt, parsley, sage, rosemary and thyme,
without any seam or fine needle work and, then, she'll be a true love of mine.
Tell her to wash it in yondry well, parsley, sage, rosemary and thyme,
where water never have sprung nor drop or rail fell and, then, she'll be a true love of mine.
Oh, will you find me an acre of land, parsley, sage, rosemary and thyme,
between the sea foam and the sea sand or never be a true love of mine.
Oh, will you plough it with a lamb's horn, parsley, sage, rosemary and thyme,
and sow it, all over, with one pepper corn or never be a true love of mine.
And, when you've done and finished your work, parsley, sage, rosemary and thyme,
then, come to me for your cambric shirt and you shall be a true love of mine.
