About the artist

I compose and arrange music for the guitar as well as conduct sing-alongs and perform at retirement homes and hospitals. I hope you are enjoying my compositions and arrangements. My wish is that you share all of your music by volunteering to perform for the underprivileged and play in hospitals and retirement homes for seniors and the disabled. I've included lyrics with some of my music. If you want to really learn the music and become an entertainer, try singing the lyrics while playing the music. If you can do that, you indeed can entertain people. In addition, if you are interested in improving your memory skills for guitar music, I would recommend reading the book, "Moonwalking with Einstein" by Joshua Foer - especially chapter 8, 'The OK Plateau'. While this book does not directly address how to memorize guitar music, it is an excellent book on general memory skill techniques.

Detailed description: This is a guitar score for the song 'On, Wisconsin!'. It is written for a single guitar (GTR. 1) in the key of D major (indicated by two sharps) and 2/4 time. The score is divided into six systems of music, each with a measure number (7, 13, 19, 25, 31) and a set of chord diagrams above the staff. The chords are labeled with Roman numerals (I, II, III, IV, V, VI, BII) and some are accompanied by a slash and 'BII', likely indicating a barre. The notation includes various rhythmic values such as quarter notes, eighth notes, and sixteenth notes, along with fingerings and accidentals. A circled '6' at the beginning indicates the D6 chord. The piece is marked as a 'March'.
