## A propos de l'artiste

I compose and arrange music for the guitar as well as conduct sing-alongs and perform at retirement homes and hospitals. I hope you are enjoying my compositions and arrangements. My wish is that you share all of your music by volunteering to perform for the underprivileged and play in hospitals and retirement homes for seniors and the disabled. I've included lyrics with some of my music. If you want to really learn the music and become an entertainer, try singing the lyrics while playing the music. If you can do that, you indeed can entertain people. In addition, if you are interested in improving your memory skills for guitar music, I would recommend reading the book, "Moonwalking with Einstein" by Joshua Foer - especially chapter 8, 'The OK Plateau'. While this book does not directly address how to memorize guitar music, it is an excellent book on general memory skill techniques.

Detailed description: This is a guitar score for the song 'Oh, You Beautiful Doll'. It consists of six systems of music. Each system includes a treble clef staff with a key signature of one sharp (F#) and a common time signature. The notes are accompanied by fret numbers (0-4) and fingerings (1-4). Chord diagrams are placed above the staff, and Roman numerals (I, II, III, V, etc.) are placed below the staff to indicate the chord structure. The score includes various musical notations such as slurs, accents, and a 'rit.' (ritardando) marking. The piece concludes with a double bar line and repeat signs.
